

MODEL - CITY 2

This bike is for the demanding e-cyclist wanting both a beautiful e-bike that stands out in the streets and a bike built using only good materials.

City 2 comes with a strong motor system that performs effortlessly in the urban environment and is comfortable to ride. The bike is available with 7 speed Shimano coaster gears and Schwalbe Citizen Puncture proof tires.

The model also comes with the Suntour SF 14 suspension fork which means the rider always feels comfortable when navigating the bike lanes. Moreover, small details on the bike – like the hidden battery in the chain case that allows the user to add a baby seat or a basket on the carrier – makes this e-bike a perfect choice for the busy city dweller wanting a functional yet out of the ordinary e-bike.
