

MODEL - CITY 2

This bike is for the demanding e-cyclist wanting both a beautiful e-bike that stands out in the streets and a bike built using only good materials.

City 2 comes with a strong motor system that performs effortlessly in the urban environment and is comfortable to ride. The bike is available with 7 speed Shimano coaster gears and Schwalbe Citizen Puncture proof tires.

Brooks saddle in pure leather as well as many other small details on the bike – like the hidden battery in the chain case that allows the user to add a basket on the carrier – makes this e-bike a perfect choice for the busy city dweller wanting a functional yet out of the ordinary and exceptionally beautiful e-bike. Also, equipped with the new CONNECT+ display.
