

MODEL - MTB 3

MTB 3 is designed for the demanding and experienced rider wishing to take his or her riding to a new level.

This tough and rugged sports bike is a work horse built for handling even the most extreme conditions. The model is available in both 27.5" and 29". It comes equipped with durable and premium quality components.

The model also boasts the 27 speed Shimano Alivio gears as well as Shimano disc brakes and Schwalbe Racing Ralph tires. Moreover, the extra powerful motor is a rear 250W/36V – one of our most durable work horses.
