

## MODEL - TREKKING 4

A picture-perfect work horse for navigating any terrain safely and comfortably. Fitted with premium components and designed for any modern cyclist wanting an aesthetically pleasing as well as solid e-bike and who is willing to pay a bit extra for quality.

Trekking 4 features a strong 250W/36V center motor with integrated controller, speed sensor and freewheel. The powerful battery pack is hidden in the down tube and the Trekking 4 is also fitted with an abundance of high quality components like the 9 speed Shimano Deore gears, Suntour SF16 Nex fork and Schwalbe Silentio Puncture Guard reflective tires.

All these factors make the Trekking 4 an absolute pleasure to both ride and watch.
